

What is on your Christmas Wish List?

Whether you are looking for something extra or wanting to give a customised gift, we have some ideas for you.

Thumb Bolts – Starting from £54

Black Douglas, Covert Hunter & Raptor bolt down longbow tool for easy assembly of your bow.

As an alternative to the supplied Hex bolts for bolt down limbs, Border offer Thumb Bolts allowing for easy removal of bolt down limbs.

Also allows for a front mounted bow quiver.

Personalised engraving available at extra costs

ILF Custom over size Dovetails - £19

ILF indiscriminate limb fit

Shooting ultra-low GPP can cause wear on your riser. So here is a tailored solution for our limb owners so you can keep the fit snug and alignment secure on worn risers.

Strike Plates - £16

With 4mm Hex Head for adjustment

Our little strike plates now come with easier adjustment; a hex head in the end of the bolt so that you can hold it in place when you tighten up the black lock ring.

Riser Bottle Weights - £43

Our Bottle Weights are designed to be universally compatible with a 5/16 AMO/ATA stabiliser bushing in any riser.

Available in clean machined stainless steel or in a powder coated satin black.

Border Custom Threaded Limb Bolts - £35

No AMO stabilizer bushes installed on your riser body?

These threaded bolts will allow you to attach stabilisers, weights or and any other ancillary items to your bow. Compatible with our Tempest, Black Douglas, Covert Hunter risers as well as Hoyt Buffalo/Satori risers.

Quiver Extender Plates - £38

Need your fletchings out of the way?

These allow you to move your fletchings, move the mass of your bow quiver to suit your bows balance better or they can even accommodate different bushing locations.

Border Archery T-Shirts - £16

Perfect stocking filler.

Available in sizes large, medium and small. Black or White.

Bow Bags - £49

Bow bags for Recurves, Longbows and various other models.

Limb and Riser Cover Pockets - £34

Keeping your Limbs and Risers safe.
